

Illustrated by Nate Padavick

This wine map follows the river as it winds its way through the Russian River Valley appellation, including wineries in the nearby Green Valley appellation as well. With these 27 tasting rooms in proximity to Guerneville, Forestville, Monte Rio, Occidental, and Sebastopol, you'll find a diverse, world-class selection for wine and food enthusiasts.

Many of the wineries offer tours of the vineyards, food and wine pairings, along with activities such as bocce or historic tours. Check tasting room opening times and options before you go.

If you are looking for places to stay, great restaurants, and more activities to complete your adventure, plan your trip at www.russianriver.com or drop in our visitor centers in downtown Guerneville and inside Korbel Champagne Cellars to pick up information, or call us at 707-869-9000.
